PREMIUM FEATURES AND BENEFITS

- **100% British Wool layers**
  Pure British Wool from certified to Responsible Wool Standard, which provides natural breathability and temperature regulation.
- **Cotton layers**
  Responsibly sourced Cotton fibres provide natural moisture management.
- **eOlus™ recycled fibre support pad**
  A resilient layer of Polyester, made from recycled water bottles, provides a supportive foundation for pocket springs and top-layer fillings.
- **1200 ReActive™ 7-turn pocket springs in the 150cm size.**
  A highly resilient quality pocket spring unit, featuring higher tension springs for superior edge-to-edge support.
- **Cotton chemical-free cover**
  A breathable sleep surface woven from responsibly sourced, unbleached Cotton and Viscose. Safe and fire resistant without the use of FR chemicals.
- **Two row, genuine hand side-stitched border**
  A strong and supportive, well-tailored border.
- **Seasonal turn mattress**
  Turn and rotate with the seasons to ensure longevity and continued comfort.

STANDARD FEATURES AND BENEFITS

- **Chrome vents**
  To aid breathability for mattress fillings.
- **Horizontal padded handles**
  For easy positioning of the mattress on the divan.
- **Traditionally hand tufted with Wool tufts**
  Tufts secure mattress fillings in their correct position and stop fillings moving or going lumpy.

Handmade in **Britain** with a **10 Year Guarantee**

**We recommend pairing this mattress with a platform top divan base for optimum support*
